**OTHER REGISTRATION** The entire name of any other pedigree registration service the dog is registered with. Do not use initials.

**DOD** If this dog is deceased, fill in the date of death formatted like the DOB Month/Day/Year

## **OTHER REGISTRATION NUMBER**

If this dog is registered with another pedigree registration service, please enter the number.

### **SIRE AND DAM NAME AND TMPR REGISTRATION**

Enter Sire and Dam registered names. If they are registered with TMPR include the number after the shaded box. If they are not registered with TMPR leave this area blank.

### **OWNER INFORMATION**

This area is self-explanatory. If you do not have enough room for any information, please include a note with the complete information in the envelope with your application documents.

### **ALTERNATE SIGNER INFORMATION**

If you would like to designate someone as a person that has your permission to sign TMPR documents for this dog in your place, please include the request contact information. If you do not want to designate anyone, please enter the word "Decline" in the boxes for the name.

### **THREE GENERATION PEDIGREE**

This can be a copy of the pedigree from another registration service or be handwritten/typed on a sheet of paper. Make sure that the dog's in the pedigree are the registered names. You can also print out pedigrees from on line pedigree data bases.
