

TIBETAN MASTIFF PRESERVATION REGISTRY

CONSULTANT AGREEMENT

I understand that my relationship with Tibetan Mastiff Preservation Registry is consultative and that although there will be a small stipend, it is largely a voluntary position.

I understand I will be consulted when my specific knowledge about the Tibetan Mastiff and the activities surrounding Tibetan Mastiff breeding is needed to determine if an individual dog should be registered as an Aboriginal, Descendant, or Bearded Tibetan Mastiff or be offered registration as a Xinxing Ao.

The amount of the stipend will vary, depending on a variety of circumstances, but will never be less than \$5.00 USD. An account will be started for me and I will be paid every six months or when my account reaches \$50.00 USD, whichever comes first.

I agree:

To keep my relationship as a consultant with TMPR confidential. I understand and I am committed to keeping my consultant status confidential as it is very important in keeping TMPR's mission free from the corrupting influences of money, property, prestige and personalities and from affecting the information I might give that will be used to make decisions about registration with TMPR.

If I recognize a dog that is being reviewed and I am not able to offer a consultation that is free from corrupting influences, I will withdraw from the consultation.

If I recognize a dog that is being reviewed, I will always keep the information secret that the dog was presented for registration whether or not I am still a TMPR Consultant or have left the consultant relationship.

I understand that this agreement between TMPR and myself may be terminated by TMPR or myself, at any time, for any reason.
