DNA TEST ORDER FORM

DNA analysis is required for the Sire and the Dam of TMPR registered litters. This DNA analysis is kept with the dog's record and may be used for verifying parentage of the dog's offspring should it ever be needed. Please mail the order form along with the payment for the test(s) to: **Tibetan Mastiff Preservation Registry**
PO Box 170
Augusta, MI 49012 USA

A test kit will be mailed to you with instructions. You will receive a copy of the test results when they are complete.
